

**YOU DO A LOT TO KEEP YOURSELF
WELL, SO MAKE SURE THE AIR
YOU BREATHE IS CLEANER, TOO.**

At Carrier, we've developed a range of innovative products designed to help improve the quality – and comfort – of the air inside your home, from our advanced air purifier that can inactivate coronavirus trapped in the filter* to our dehumidifier that balances moisture levels to help control conditions where mold and bacteria can grow. Now that's what we call a healthy dose of innovation.

Learn how the Infinity® air purifier works at [carrier.com/purifier](https://www.carrier.com/purifier).

*The Infinity Air Purifier has demonstrated effectiveness against the murine coronavirus, based on third-party testing (2020) showing a >99% inactivation, which is a virus similar to the human novel coronavirus (SARS-CoV-2) that causes COVID-19. Therefore, the Infinity Air Purifier can be expected to be effective against SARS-CoV-2 when used in accordance with its directions for use. Airborne particles must flow through your HVAC system and be trapped by the Infinity filter to be inactivated at 99%.
